II. 2017 Annual Comprehensive Plan Amendments – Group #1

Planning Services Manager Jeff Dixon provided an overview of the Group #1 of the proposed Comprehensive Plan amendments consisting of 9 text amendments and 3 map amendments. He reviewed the contents of the Commission's working binder including the schedule for the 2017 Annual Comprehensive Plan Amendments and the docket showing all of the amendments. Staff distributed a Memorandum with updated pages including Page 7 to the staff report, which accurately lists the Kent School district proposed impact fees. Staff reported duplicate Page 211 was removed from the City of Auburn Capital Facilities Plan and an update to the description of the capital project on Page 242 were included. Neither change reflects changes to the budget.

Staff provided an overview of the 2017 Annual Comprehensive Plan Amendments and supporting documents for the amendments:

A. Annual Comprehensive Plan Text Amendments (Case No. CPA17-0001, unless indicated)*

1. **P/T #1** – Auburn School District 2017-2023 Capital Facilities Plan
2. **P/T #2** – Dieringer School District Capital Facilities Plan 2018-2023
3. **P/T #3** – Federal Way School District 2018 Capital Facilities Plan
4. **P/T #4** – Kent School District 2017/2018 – 2022/2023 Capital Facilities Plan
5. **P/T #5** – City of Auburn 2018-2023 Capital Facilities Plan
6. **P/T #6** - Remove the discussion of a "Mixed Use" land use designation from the text of the Plan and from the Land Use Map. The R10, R16, and R20 residential zoning districts already allow for mixed uses (comprised of residential & commercial) as permitted

uses (See Table 18.07.020, Permitted Use Table).

7. **P/T #7** - Add text to add back the R5, Residential zoning district back in as an implementing zone for the "Single Family" Land Use Designation. A significant portion of the city is zoned R5, Residential. The 2015 Comp Plan this zone was inadvertently omitted as an implementing zoning district of any Comp. Plan land use designation and must be corrected.
8. **P/T #8** - Change the title of the land use designation of "Residential Transition" to "Moderate Density Residential". Requested to revert to pre-2015 title of the category. Provide a more logical title for the category to address and reflect the range of residential densities. The implementing zones change to "R10, Residential" and "R16, Residential".
9. **P/T #9** - Add the "R10, Residential" and R16, Residential" zoning districts back as implementing zones for the "Residential Transition" or if recommended, to the "Moderate Density Residential" Land Use Designation. Areas of the city are zoned "R10, Residential" but no areas are currently zoned "R16, Residential". However, in the 2015, Comp Plan these zoning districts were inadvertently omitted as an implementing zoning districts of any Comp. Plan land use designation. To be corrected by adding R10 and R16 as implementing zones to either the "Residential Transition" or "Moderate Density" Land Use Designation.

B. Annual Comprehensive Plan Map Amendments (CPA17-0001 – City Initiated)

1. **CPM #1** - Remove the discussion of a "Mixed Use" land use designation from the text of the Plan and remove category from the Land Use Map. "The R10, R16 and R20 residential zoning districts already allow for mixed uses residential & commercial) as permitted uses (See Table 18.07.020, Permitted Use Table). Thus, it was unnecessary to establish a unique land use designation to achieve a zoning district to allow. (See also related P/T #6)
2. **CPM #2** - Change the mapped land use designation of a 2.23-acre city-owned park parcel from "Multiple Family Residential" to "Institutional". Parcel No. 0921059073 is located south of SE 310th ST, 820 feet west of 124th Ave SE.
3. **CPM #3** - Change the mapped land use designation of a group of 4 privately-owned, previously developed parcels from "Downtown Urban Center" to "Light Industrial". Parcel No. 5401600200, of 0.06 acres and Parcel No. 5401600175 of 0.7 acres are owned by In Ho & Nancy Kim. Parcel No. 5401600235 of 0.34 acres is owned by CHS Inc. Parcel No. 5401600260 of 0.34 acres is owned by Gary & Karen Stamps. Proposed to change the Comp. Plan land use map designation to recognize and be more compatible with developed status of the properties at the perimeter of the land use designation. The sites contain existing uses of warehouses, bulk propane tank distribution and outdoor storage.

The Commission and staff discussed how the school districts prepare and submit their plans and the planning commission's role in the process moving to through City Council. The Commission had no further questions.

1. **CPM #1** - Remove the discussion of a "Mixed Use" land use designation from the text of the Plan and remove category from the Land Use Map. "The R10, R16 and R20 residential zoning districts already allow for mixed uses residential & commercial) as permitted uses (See Table 18.07.020, Permitted Use Table). Thus, it was unnecessary to establish a unique land use designation to achieve a zoning district to allow. (See also related P/T #6)
2. **CPM #2** - Change the mapped land use designation of a 2.23-acre city-owned park parcel from "Multiple Family Residential" to "Institutional". Parcel No. 0921059073 is located south of SE 310th ST, 820 feet west of 124th Ave SE.
3. **CPM #3** - Change the mapped land use designation of a group of 4 privately-owned, previously developed parcels from "Downtown Urban Center" to "Light Industrial". Parcel No. 5401600200, of 0.06 acres and Parcel No. 5401600175 of 0.7 acres are owned by In Ho & Nancy Kim. Parcel No. 5401600235 of 0.34 acres is owned by CHS Inc. Parcel No. 5401600260 of 0.34 acres is owned by Gary & Karen Stamps. Proposed to change the Comp. Plan land use map designation to recognize and be more compatible with developed status of the properties at the perimeter of the land use designation. The sites contain existing uses of warehouses, bulk propane tank distribution and outdoor storage.

Planning Manager Dixon provided an overview of the three Comprehensive Map Amendments and stated staff is recommending the Commission recommend approval and inclusion into the City's Annual Comprehensive Plan to City Council.

The Commission and staff discussed the boundaries of the Downtown Urban Center. Chair Roland opened the public hearing on CPA17-0001, CPM #1, CPM #2, and CPM #3 at 7:54 p.m. and called for public testimony.

With no public present for testimony, Chair Roland closed the public hearing on

CPA17-0001, CPM #1, CPM #2, and CPM #3 at 7:54 p.m. and the Commission deliberated.

Commissioner Moutzouris moved and Commissioner Stephens seconded to recommend to City Council inclusion of CPA17-0001, CPM #1, CPM #2, and CPM #3 into the City's Comprehensive Plan.

FINDINGS OF FACT:

1. The Applicant, Sylvia Fuerstenberg, representing Nexus Youth & Families ("Nexus"), submitted a Comprehensive Plan Map Amendment (City File No. CPA17-0002) and Rezone request (REZ17-0001) applications on June 8, 2017, before the year 2017 application deadline for Comprehensive Plan amendments (June 9, 2017).
2. The City of Auburn first adopted amendments to its Comprehensive Plan in compliance with the Washington State Growth Management Act (GMA) requirements, as amended, in 1995. The Auburn Comprehensive Plan has been amended annually each year since, generally for housekeeping items and for coordination with the Capital Facilities Plan.
3. The City of Auburn adopted a substantially revised Comprehensive Plan (including map amendments) in response to periodic updates required by the GMA under Ordinance No. 6584 on December 15, 2015.
4. RCW 36.70A.130 (GMA) provides for annual amendments to locally adopted comprehensive plans. Except in limited circumstances, these amendments shall be considered by the City's Legislative body no more frequently than once per year. The annual limitation and exceptions are also restated under ACC 14.22.060.

Comprehensive Plan Related Findings

5. In June 2017 the City Council adopted Ordinance No. 6655 which allows the Planning Commission and City Council to consider associated map changes (for Comp. Plan and Zoning map amendments), concurrently. This eliminates the need for the Hearing Examiner to subsequently consider a zoning map amendment public hearing when it is related to a Comprehensive Plan map amendment.
6. Auburn City Code (ACC) Chapter 14.22 outlines the process for submittal of privately-initiated comprehensive plan amendments and the general processing as follows:

"Section 14.22.100

- A. The planning commission shall hold at least one public hearing on all proposed amendments to the comprehensive plan. Notice of such public hearing shall be given pursuant to Chapter 1.27 ACC and, at a minimum, include the following:
 1. For site-specific plan map amendments:
 - a. Notice shall be published once in the official newspaper of the city not less than 10 calendar days prior to the date of public hearing;
 - b. Notice shall be mailed by first class mail to all property owners of record within a radius of 300 feet of the proposed map amendment request, not less than 10 calendar days prior to the public hearing;
 2. For area-wide plan map amendments:
 - a. Notice shall be published once in the official newspaper of the city not less than 10 calendar days prior to the date of public hearing;
 - b. Notice shall be mailed by first class mail to all property owners of record within the area subject to the proposed amendment;
 - c. Notice shall be posted in at least two conspicuous locations in the area subject to the proposed amendment not less than 10 calendar days prior to the date of the public hearing.
- B. Notwithstanding the above, the director may expand the minimum noticing provisions noted above as deemed necessary.
- C. Planning Commission Recommendation. The planning commission shall conduct a public hearing on all potential comprehensive plan amendments and shall make and forward a

- recommendation on each to the city council. The planning commission shall adopt written findings and make a recommendation consistent with those findings to the city council.
- D. The city council, if it elects to amend the comprehensive plan, shall adopt written findings and adopt said amendments by ordinance.
 - E. State Review. All comprehensive plan amendments considered by the planning commission shall be forwarded for state agency review consistent with RCW 36.70A.106.
 - F. Any appeal of an amendment to the comprehensive plan shall be made in accordance with Chapter 36.70A RCW. (Ord. 6172 § 1, 2008.)”
7. Per Chapter 14.22 Auburn City Code (“ACC”), privately-initiated amendments to the Comprehensive Plan shall have at least one public hearing before the Planning Commission who then forward on a recommendation to the City Council. City Council consideration and action on the amendments generally occurs, but is not required, prior to the end of the year. Chapter 14.22 ACC ‘Comprehensive Plan’ is attached as Exhibit 6 for reference.
8. Due to the nature of policy/text changes, and the minimal amount of private-initiated map amendments, the optional process for conducting a public open house on the docket of comprehensive plan amendments as provided for in the city code, was not conducted.

Zoning Code Related Findings

9. Chapter 18.68 ACC (Zoning) Amendments)) outlines the process for submittal of privately-initiated zoning amendments and the general processing. Per ACC 18.68.030(B)(1)(b), when the Planning Commission is considering a rezone (zoning map amendment) which requires a Comprehensive Plan Land Use Map amendment, the public hearings shall be conducted concurrently and a recommendation on both shall be forwarded to the City Council. Chapter 18.68 ACC ‘Amendments’ is attached as Exhibit 7 for reference
10. Pursuant to Chapter 197-11 WAC and Chapter 16.06 ACC, this project is subject to State Environmental Policy Act (“SEPA”) environmental review. A Determination of Non-Significance (“DNS”), for the Comprehensive Plan amendment and Rezone request was issued under City File No. SEP17-0012 on August 24, 2017; with the comment period ending September 8, 2017 and an appeal period ending September 22, 2017. One public comment was submitted (See Exhibit 8); no appeal was filed.
11. Pursuant to RCW 36.70A.106, the proposed Comprehensive Plan amendment outlined in this agenda bill were sent to the Washington State Dept. of Commerce and other State agencies as required for the 60-day State review. See Exhibit 9. No comments have been received from the Dept. of Commerce or other State agencies as of the date of this report.
12. The public hearing notice was published on October 17, 2017 in the Seattle Times, at least 10 days prior to this November 1, 2017 Planning Commission public hearing. Public notice was also mailed to property owners within 300 feet and those requesting said notice, posting on the City’s website, and posting on the subject properties.
13. The following Staff Report and recommendation describes and addresses the Comprehensive Plan Land Use Map amendment and Rezone request by Nexus.

COMPREHENSIVE PLAN AMENDMENT AND REZONE REQUEST – STAFF ANALYSIS:

1. The Comprehensive Plan amendment seeks to change the designation of three parcels from “Single Family Residential” with a “Residential Transition Overlay” to “Light Commercial”. The parcels are King Co. Parcel Nos. 192105-9142, 192105-9145, and 192105-9077; and the addresses are 911 ‘H’ St. SE, 915 ‘H’ St. SE, and 921 ‘H’ St. SE. The three parcels total approximately 0.72 acres. See Exhibit 10 and the following vicinity map:

2. Similarly, the Rezone request seeks to change the classification of the same three parcels from “R-7, Residential Seven Dwelling Units per Acre” to “C-1, Light Commercial”. The parcels are King Co. Parcel Nos. 192105-9142, 192105-9145, and 192105-9077; and the addresses are 911 ‘H’ St. SE, 915 ‘H’ St. SE, and 921 ‘H’ St. SE. See Exhibit 11.
3. As indicated by the Applicant’s narratives (See Exhibit 12 and Exhibit 13), the requested changes are to accommodate future expansion of the Nexus Youth & Families Campus. Nexus Youth & Families (formerly Auburn Youth Resources (AYR)) is a non-profit organization that provides mental health counseling for youth, groups and families through chemical dependency prevention, treatment and aftercare and homeless services of emergency shelter, intercept homeless youth through a street outreach program and provide supportive housing across South King County. The facilities at this location include a clinic, 2 administrative buildings, 2 youth shelters, storage buildings, and the Arcadia House which will be under construction soon (Arcadia House is a replacement building for an existing supportive house, which will be demolished). See Exhibit 14 for reference.

4. At its ultimate buildout the Nexus Campus will intend to serve homeless youth and single mothers through provision of permanent supportive housing, clinic services, and case management and support services. Nexus has also requested in the Rezone request for a new use to be added to the C-1, Light Commercial zoning district that fully encompasses their proposed uses; this text amendment will be subsequently considered under a separate application and presented to Planning Commission after review of the 2017 Comprehensive Plan amendments have been completed.
5. The current Comprehensive Plan Land Use designation, zoning classification, and current land uses of the subject properties and surrounding properties are as follows:

	Comp Plan Designation	Zoning Classification	Existing Land Use
On-Site	"Single Family Residential" w/ "Residential Transition Overlay"	R-7, Residential	3 single-family homes; 2 are currently used as shelters by Nexus, the other is used as a residence by the Bartholomews
North	"Single Family Residential" w/ "Residential Transition Overlay"	R-7, Residential	Single-family homes
South	"Light Commercial"	C-1, Light Commercial	Nexus Clinic
East	"Institutional"	I, Institutional	Les Gove Community Campus
West	"Light Commercial"	C-1, Light Commercial	Nexus Admin.

6. The three parcels front onto 'H' St. SE, which is classified as a 'Local Residential' street; 'H' St. SE is then connected to Auburn Way S ('Principal Arterial' classified street) via 9th St. SE ('Local Residential') and the unnamed alley on the north side of the project site. Part of the western portion of the alley will be widened to 20 ft. to support emergency services in conjunction with the Arcadia House construction (the alley is currently approximately 12 ft. wide). The remainder of the alley will be widened with subsequent / future development of the Nexus Campus. Circulation plans for eventual buildout would be to direct a majority of the traffic either directly onto Auburn Way S or via the alley to Auburn Way S. See the Conceptual Campus Site Plan, Exhibit 14.
7. Based on historic zoning maps, the subject properties have had similar single-family zoning designations since at least 1964 (note these parcels were annexed into the City in 1948). The Comprehensive Plan designation has also been single-family since at least 1960.

COMPREHENSIVE PLAN RELATED – CONCLUSIONS:

The purpose of the City's Comprehensive Plan is to provide a policy basis for potential future zoning changes to ensure that the Comprehensive Plan and Zoning Ordinance are consistent, as required by the following City Code provision:

"14.22.050 Conformance and consistency.

The zoning, land division and other development codes contained or referenced within Auburn City Code shall be consistent with and implement the intent of the comprehensive plan. Capital budget decisions shall be made in conformity with the comprehensive plan."

The City Code provides certain criteria for decisions on amending the Comprehensive Plan under ACC 18.14.22.110. These criteria are listed below, followed by a Staff Analysis in *italics*. The Applicant's responses to these criteria are included in Exhibit 12.

1. Criterion #1 – ACC 14.22.110(A)(1): The proposed change will further and be consistent with the goals and objectives of the plan and the plan will remain internally consistent.

Staff Analysis: The Comprehensive Plan (Land Use Element, Page LU-9) provides the following explanation for the “Light Commercial” Land Use Designation:

“Light Commercial

Description

This category represents the prime commercial designation for small to moderate scale commercial activities. These commercial areas should be developed in a manner which is consistent with and attracts pedestrian oriented activities. Such areas should encourage walkability, leisure shopping, engaging public space, and should provide other amenities conducive to attracting shoppers.

Designation Criteria

1. Previously developed light commercial areas buffered from more intense commercial or industrial designations by landscaping or environmental features; or
2. Located along arterial or collector streets;
3. Properties that are buffered from the Single Family designation by landscaping, environmental features, or the Residential Transition designation; and
4. Meets the development parameters of the Light Commercial designation.

Implementing Zoning Designations

Light Commercial

Policies

- Policy LU-60. *A wide range of consumer-oriented goods and services are compatible within this designation since creating an attractive shopping environment is a primary emphasis. Permitted uses would consist of local-serving and community-serving retail trade, offices, personal services, eating establishments, financial institutions, governmental offices, and similar uses.*
- Policy LU-61. *Parking lots must be located and designed in a manner that softens their appearance from adjacent public roads. This is accomplished through landscaping, pedestrian spaces, and the location of buildings on the property. Where practicable, low impact development techniques and landscaping should be used to promote on site stormwater infiltration and shading of hard surfaces. Minimum and maximum parking ratios must be established for each type of permitted use.*
- Policy LU-62. *Development incentives should be established that encourage the creation of electric car charging stations, use of sustainable building and/or operational practices, development of non-motorized infrastructure, and proximity and connection to public transit.*
- Policy LU-63. *Multiple family dwellings are only allowed as part of mixed-use developments where they do not interfere with the shopping character of the area, such as within the upper stories of buildings.*
- Policy LU-64. *Drive in windows should only be allowed accessory to a permitted use, and only when carefully sited under the administrative use process, in order to ensure that an area's pedestrian environment is not compromised.*
- Policy LU-65. *Large scale regional retail uses and uses which rely on direct access by vehicles or involve heavy truck traffic (other than for merchandise delivery) are not appropriate in this category.*
- Policy LU-66. *Unightly outdoor storage and similar activities should be prohibited.*
- Policy LU-67. *Encourage adaptive reuse, particularly of historic properties.*

Policy LU-68. Upzone requests to the next zone should be approved based on the innovations in transportation and stormwater management and public amenities proposed for the development associated with the request."

Per ACC 18.23.030(C), the intent of the C-1, Light Commercial zoning district is:

"...intended for lower intensity commercial adjacent to residential neighborhoods. This zone generally serves as a transition zone between higher and lower intensity land uses, providing retail and professional services. This zone represents the primary commercial designation for small- to moderate-scale commercial activities compatible by having similar performance standards and should be developed in a manner which is consistent with and attracts pedestrian-oriented activities. This zone encourages leisure shopping and provides amenities conducive to attracting shoppers and pedestrians."

As identified in the C-1 intent statement above, this zoning district allows provisions for retail uses as well as professional services. Nexus does not engage in any retail or commercial uses, however, does provide professional services for homeless youth and single mothers. Nexus has also applied for a zoning text amendment to include their specific type of facility as an allowable use in the C-1 zoning district (to be reviewed by the Planning Commission at a future date).

Although an argument could be made that the C-1 zone may not be the most suitable location for this type of facility, looking at certain facts an argument could also be made that this is a suitable use for this location; 1) with the exception of the Bartholomew parcel, the other four parcels within the Nexus campus are already owned and operated by Nexus as similar uses (although to a much-lesser scale), 2) the campus fronts-on and has direct access to Auburn Way S, a principal arterial, 3) there is an existing Metro transit stop in front of the Arcadia House, 4) the campus has an intervening alley right-of-way to the north, providing a delineated buffer to the existing single-family homes, and 5) there are existing public services and facilities located in close proximity to the campus, including the library, community center, and Nexus' other service (e.g. clinic) that the homeless occupants could utilize.

Other applicable policies from the City's Comprehensive Plan that support the Nexus application are as follows:

From the 'Core Plan':

Policy 11. Participate in and support efforts to provide solutions for persons experiencing homelessness.

Policy LU-30. Encourage development of permanent supportive housing to address the homeless population and those with special needs.

Policy H-10. Provide a land use plan and zoning that offers opportunities to achieve a variety of housing styles and densities for private and non-profit housing providers.

Policy H-31. Encourage and support human and health service organizations that offer programs and facilities for people with special needs. Support programs in particular that help people to remain within the community, including those that are veterans, disabled, seniors, single parent households, and the homeless.

Policy H-43. Work with other jurisdictions and health and social service organizations to implement a coordinated, regional approach to homelessness.

Policy H-47. Support nonprofit organizations during all stages of siting and project planning and when applying for county, state, and federal funding.

2. Criterion #2 – ACC 14.22.110(A)(2): Whether the capacity to provide adequate services is diminished or increased.

Staff Analysis: The proposed application for a change in the Comprehensive Plan designation has been reviewed by the City's Utilities, Traffic division, and the Valley Regional Fire Authority. Based on these reviews, the change would not adversely affect the provision of services. As is typical with development in the City, adequate infrastructure improvements will be required to be provided concurrent with future development. Although no specific construction activity is proposed or permitted with this amendment, eventual buildout of these three parcels in relation to the overall Nexus Campus is not anticipated to be detrimental to public services. Traffic impacts will be reviewed once the campus planning by the applicant has been finalized to ensure accurate mitigation measures are provided (through Applicant preparation and City review of a Traffic Impact Analysis).

3. Criterion #3 – ACC 14.22.110(A)(3): Assumptions upon which the comprehensive plan is based are found to be invalid.

Staff Analysis: While the policies of the Comprehensive Plan are not invalid, the Applicant's request to change three parcels from residential to commercial designations are not out of character with the designations or uses in the immediate vicinity. The Nexus Campus is bordered on three sides by public rights-of-way and to the south is a City-owned parking lot. The requested change is a logical expansion of the Light Commercial land use for this particular use.

4. Criterion #4 – ACC 14.22.110(A)(4): A determination of change or lack of change in conditions or circumstances has occurred since the adoption of the latest amendment to the specific section of the comprehensive plan that dictates the need for a proposed amendment.

Staff Analysis: The proposed change is for three parcels to Light Commercial which is consistent with the adjacent parcels to the south and west, all of which are also owned by Nexus. A change in conditions or circumstances would be the ever-increasing number of homeless people. Nexus seeks to help with the especially vulnerable homeless populations, the youth/young adults and single mothers. Also, as stated under Criterion #1, above, the Comprehensive Plan lists numerous goals/policies to address homelessness.

5. Criterion #5 – ACC 14.22.110(A)(5): If applicable, a determination that a question of consistency exists between the comprehensive plan and Chapter 36.70A RCW, the countywide planning policies for either King and/or Pierce County, as appropriate, and Vision 2040: Growth and Transportation Strategy for the Puget Sound Region.

Staff Analysis: The change, if approved, would continue to be consistent with the Growth Management Act (Chapter 36.70A RCW), the King County Countywide Planning Policies and Vision 2040. The proposal is consistent because it furthers provision of services and housing for the homeless population.

6. Criterion #6 – ACC 14.22.110(A)(6): If the request is to change the land use designation of a specific property on the comprehensive plan land use map, the applicant must demonstrate one of the following:
- a. The current land use designation was clearly made in error or due to an oversight;
 - b. The proposed land use designation is adjacent to property having a similar or compatible designation, or other conditions are present to ensure compatibility with surrounding properties;
 - c. There has been a change in conditions since the current land use designation came into effect.

Staff Analysis: The requested change is consistent with item b in that the adjacent properties to the west and south are designated Light Commercial.

REZONE RELATED – CONCLUSIONS:

The Applicant has requested a rezone from “R-7, Residential” to “C-1, Light Commercial”. Per ACC 18.68.030(B)(1)(b) if the rezone request also requires changes to the Comprehensive Plan, the Planning Commission shall hold a public hearing and make a recommendation to the City Council. Chapter 18.68 ACC contains the intent and process for zoning code amendments, in this case a site-specific zoning map amendment has been requested. Auburn City Code does not contain any specific rezone criteria for City Staff to review; however, Case Law offers some rezone criteria (“*A Little Bit Pregnant: The Multi-Personalities of Site Specific Rezones - Or - A Cheat Sheet for Everything You Need to Know about Site-Specific Rezones*”, by Phil Olbrechts on mrsc.org, April 1, 2013) as follows:

“...require that the proponents of a rezone must establish that conditions have substantially changed since the original adoption and that the rezone must bear a substantial relationship to the public health, safety, morals or welfare. If a rezone implements the comprehensive plan, a showing that a change of circumstances has occurred is not required.”

With the change in City procedures by ordinance No. 6655 to allow concurrent recommendations by the Planning Commission on both the Comprehensive plan and zoning map changes, the recommendations on each should be consistent and therefore does not need to show a change in circumstances has occurred.

The requested rezone bears a substantial relationship to the public health, safety, morals and welfare. Adequate public facilities such as water, sewer, and electricity, are capable of being provided for the parcels upon future development and would therefore not be detrimental to public health. The rezone itself is not anticipated to allow any uses or acts that would pose any detrimental effects on the morals or welfare of the public; the uses planned by Nexus for future development of the campus would be a benefit to the community by serving a vulnerable population. As for impacts to public safety, the proposed Nexus facilities could be seen to have favorable or unfavorable impacts. Providing services for homeless youth could attract users to the neighborhood that may not typically be there, however, the services are also intended to assist homeless youth to provide shelter and integrate into productive society.

STAFF RECOMMENDATION:

Planning Commission to recommend to City Council **approval** of the Nexus Youth & Families request for a Comprehensive Plan Land Use Map amendment for three parcels from “Single Family Residential” with a “Residential Transition Overlay” to “Light Commercial”; and a rezone from “R-7, Residential” to “C-1, Light Commercial”.

Administrative Recommendation: Planning Commission to recommend to City Council approval of Group #2 of the 2017 City-Initiated Comprehensive Plan Map Amendments and associated rezones (zoning map amendments).		
Background Summary: The City of Auburn adopted amendments to its Comprehensive Plan in 1995 in response to the Washington State Growth Management Act (GMA) requirements, as amended. Since then the Auburn Comprehensive Plan has been amended annually. At the end of 2015 the City adopted a substantially updated Comprehensive Plan in compliance with state-required periodic updates. Annual Comprehensive plan amendments can be initiated by the City of Auburn (city-initiated) and by private citizens (private-initiated). This year the city is initiating: 9 policy/text amendments 17 map amendments Also, the city received one private-initiated plan map amendment by the submittal deadline which will be presented in a separate staff report in advance of a subsequent hearing. Due to the number of amendments and Planning Commission's request to phase consideration, this staff report and recommendation addresses a portion of the amendments (Group #2) and specifically: - Map Amendments # 4 through # 17. These map amendments are the remaining amendments that were not part of Group #1, previously addressed at the Planning Commission's October 19, 2017 meeting. In terms of process, the Comprehensive Plan amendments are initially reviewed during a public hearing process before the City of Auburn Planning Commission, who then provides a recommendation to the City Council for final action. City Council consideration and action on the amendments generally occurs, but is not required, prior to the end of the year.

A. Findings

1. RCW 36.70A.130 (Washington State Growth Management Act (GMA)) provides for amendments to locally adopted GMA comprehensive plans. Except in limited circumstances provided for in State law and City Code, comprehensive plan amendments shall be considered by the city legislative body no more frequently than once per year.
2. The City of Auburn established a June 9, 2017 deadline for the submittal of private-initiated comprehensive plan applications (map or policy/text). Notice to the public of the application filing deadline was provided on the City's website, the Seattle Times Newspaper, and sent to a compiled notification list in April 2017. The City received one private-initiated map amendment by the submittal deadline. This private-initiated amendment is addressed in a separate staff report (File No. CPA17-0002).
3. The environmental review under the State Environmental Policy Act (SEPA) for the policy/text and map amendments resulted in a Determination of Non-Significance (DNS) issued for the City-initiated Comprehensive Plan Amendments on September 19, 2017 (City File # SEP17-0014). The comment period ended October 3, 2017 and the appeal period ended October 17, 2017. The City did not receive any comments in response to the issuance of the Determination of Non-Significance (DNS). A copy of the DNS and environmental checklist application is provided in the working binder.

- F. Any appeal of an amendment to the comprehensive plan shall be made in accordance with Chapter 36.70A RCW. (Ord. 6172 § 1, 2008.)”
5. As provided in the City code, the Comprehensive Plan amendments are initially reviewed during a public hearing process before the City of Auburn Planning Commission, who then provides a recommendation to the City Council for final action which generally occurs, but is not required to, prior to the end of the year.
 6. Pursuant to RCW 36.70A.106, the proposed comprehensive plan amendments outlined in this agenda bill were sent to the Washington State Department of Commerce (Commerce) and other state agencies for the required state review. The Washington State Department of Commerce acknowledged receipt on September 25, 2017 by letter and Material ID #24153. No comments have been received from the Washington State Department of Commerce or other state agencies as of the writing of this report. A copy of the transmittal by the City and written acknowledgement of receipt by Commerce is provided in the working binder.
 7. Due to the nature of policy/text changes, and the minimal amount of private-initiated map amendments, the optional process for conducting a public open house as provided for in the city code, was not conducted.
 8. The notice of public hearing was published on October 21, 2017 in the Seattle Times Newspaper which is at least 10 days prior to the Planning Commission public hearing scheduled for November 1, 2017. A copy of the request to publish is provided in the working binder. Also, a notice was mailed by first class mail to all property owners of record.
 9. Many of these comprehensive plan changes are corrections to the mapped land use designations made after adoption of the updated comprehensive plan in 2015. The changes increase the consistency of the Comprehensive Plan and zoning as required by ACC 14.22.050, “Conformance and Consistency”. **The maps related to these proposed changes are also available to review in the ‘Comp. Plan Map Amendments’ tab of the ‘Working Binder’.**
 10. The following report identifies Comprehensive Plan Map (CPM) amendments scheduled for the Planning Commission’s November 1, 2017 public hearing with a staff recommendation. All of the Policy/Text (P/T) amendments were presented at the October meeting; so no Policy/Text (P/T) amendments are described in this report.

Comprehensive Plan Map Amendments (File No. CPA17-0001, City initiated)

CPM #4

Change the mapped land use designation of south part of 2.15-acre, privately-owned, developed parcel from "Residential Transition" to "Heavy Commercial".

Discussion

The 2.15-acre property was previously a smaller parcel and the comprehensive plan designation boundary followed this original property boundary. In 2004, a boundary line adjustment application was filed (File No. LLA04-0010), approved by the City, and recorded (Recording No. 20040712003209). The boundary line adjustment expanded the parcel boundary to include additional area to the south. The Comprehensive Plan land use designation boundary was not simultaneously changed to correspond to the property boundary change. In the intervening time, the fence contractor business has using the expansion area as part of their yard. It is appropriate to make the change to avoid split designation of a parcel where warranted by existing development pattern and setting. The "Residential Transition" designation makes up a smaller portion of the lot, while the balance is used by a fencing contractor. As shown on the map below, the designation change is consistent with adjacent property located to the west.

Staff Recommendation

Planning Commission to recommend approval of a map amendment CPM #4 to change the mapped land use designation of the southern part of a 2.15-acre, privately-owned, parcel from "Residential Transition" to "Heavy Commercial" (Parcel No. 8695200020).

CPM #5

Change the mapped land use designation of 3 parcels (2 privately-owned and 1 city-owned) from the "Open Space" to "Downtown Urban Center" land use designation.

Discussion

This city-initiated request is to change the land use designation of 2 privately owned parcels, Nos. 7815700095 (0.17 acres – vacant) and 7815700135 (0.33 acres – parking lot) are owned by Levan Auburn Development LLC and the City-owned Parcel No. 7815700085 (0.19 acres - Plaza park). These contiguous properties are located at the SW corner of W Main ST and Division ST. With adoption of the 2015 Comprehensive

Plan and its associated map changes, the properties were assigned an “Open Space” land use designation. The change is requested to remedy an inadvertent change of mapped land use designation with adoption of map as part of 2015 plan. It is requested to revert to former designation of "Downtown Urban Center". These 3 mostly undeveloped parcels are currently zoned “DUC, Downtown Urban Center”. Due to their location in the heart of the city center and economic development potential, these parcels should have the designation "Downtown Urban Center".

Parcel ID Number/ address	Property owner	Parcel Size (Approx.)	Current comprehensive Plan Designation	Current Zoning Classification	Current Land Use
7815700095	Levan Auburn Development LLC	0.17 acres	“Open Space”	“DUC, Downtown Urban Center”	Vacant lot
7815700135	Levan Auburn Development LLC	0.33 acres	“Open Space”	“DUC, Downtown Urban Center”	Parking lot
7815700085	City of Auburn	0.19 acres	“Open Space”	“DUC, Downtown Urban Center”	City’s Plaza Park

Staff Recommendation

Planning Commission to recommend approval of a map amendment CPM #5 to change the mapped land use designation of 3 parcels from the "Open Space" to the "Downtown Urban Center" land use designation. (Parcel Nos. 7815700095, 7815700135, & 7815700085)

CPM #6

Change the mapped land use designation (and zoning district) of 46 city-owned, parks properties from "Open Space" to "Institutional" land use designation. Also, change the zoning designation from "OS, Open Space" to "I, Institutional" to agree.

Discussion

This city-initiated request is to change the land use designation of 46 parcels **46 city-owned, parks properties from "Open Space" to "Institutional" land use designation.** Parcel Nos. 0821059017, 7345300160, 6347000055, 6347000065,

0001000081, 1313500310, 3021059044, 3021059080, 3021059089, 1421049011, 1821059117, 0520061060, 0721059038, 7749501070, 0521059010, 0521059029, 0421059062, 0421059061, 0421059060, 0421059071, 0421059004, 3845000080, 7299602140, 4137070990, 7002181950, 0520051035, 0520051006, 0921059018, 6655000105, 6655000021, 1421049067, 9262800330, 9262800341, 1421049017, 9262800285, 0721059020, 8669150810, 6655000024, 6655000030, 3021059325, 3121059017, 3021059375, 8581400530, 1821059327, 0821059017, & 0621059007 are scattered at various sites. With adoption of the 2015 Comprehensive Plan and its associated map changes, the properties were assigned an “Open Space” land use designation. These properties are city-owned developed parks and contain play areas and active recreational space. And the “Open Space” land use designation is not appropriate to apply to these properties based on the discussion and clarification that occurred with the Planning Commission during discussion of the “OS, Open Space” zoning district in July and August of this year. The land use designation is inconsistent with the designation criteria and purpose of the “Open Space” land designation of the Comprehensive Plan (e.g. cemeteries and active and mainly developed parks should not be designated “Open Space”). Also, for most parcels the zoning map classification also needs to change from “OS, Open Space” to “I, Institutional” to agree.

Staff Recommendation

Planning Commission to recommend approval of a map amendment CPM #6 to change the mapped land use designation of multiple City-owned, parks properties from “Open Space” to “Institutional” land use designation and to change the zoning designation (File No. REZ17-0002), to correspond to the “I, Institutional” implementing zoning classification, except for Parcel Nos. 1821059327, 1821059117, & 8581400530 which are already zoned: “I, Institutional”.

CPM #7 - Change the mapped land use designation of 3 Tribal parcels from the "Open Space" to the "Institutional" Land Use designation. Also, change the zoning designation from "OS, Open Space" to "I, Institutional" to agree.

Discussion

This city-initiated request is to change the land use designation of 3 Muckleshoot Tribal parcels from the "Open Space" to the "Institutional" Land Use designation. Parcel No. 2021059041 (1.45 acres US Government)), 2021059047 (24.46 acres, Tribe), & 2021059037 (0.07 acres, Tribe) are proposed for change. With adoption of the 2015 Comprehensive Plan and its associated map changes, the properties were assigned an

“Open Space” land use designation. These properties are Muckleshoot Tribal owned properties that are developed as cemeteries. And the “Open Space” land use designation is not appropriate to apply to these properties based on the discussion and clarification that occurred with the Planning Commission during discussion of the “OS, Open Space zoning district in July and August of this year. The land use designation is inconsistent with the designation criteria and purpose of the “Open Space” land designation of the Comprehensive Plan (e.g. cemeteries and active and mainly developed parks should not be designated “Open Space”).

2021059041	US Government	1.45 acres	“Open Space”	“P1, Public Use”	Historic Tribal cemetery
2021059047	Muckleshoot Indian Tribe	24.46 acres	“Open Space”	“P1, Public Use”	Tribal Cemetery
2021059037	Muckleshoot Indian Tribe	0.07 acres	“Open Space”	“P1, Public Use”	Street frontage portion of historic Tribal cemetery

Staff Recommendation

CPM #8 - Change the mapped land use designation of 2 parcels from "Single Family Residential" to "Light Commercial" and to change the zoning designation from "R5, Residential" to "C1, Light Commercial" to agree.

Discussion

This city-initiated request is to change the land use designation of 2 privately-owned parcels from "Single Family Residential" to "Light Commercial". Parcels Nos. are 3121059069, 1.79 acres owned by Alan Clayton and Parcel No. 3121059027, 3.67 acres, owned by John Nixon. Both are located on east side of A ST SE, approx. 600 feet south of Lakeland Hills WY SE. The change is requested to remedy an inadvertent

change of mapped land use designation with adoption of map as part of 2015 plan adoption. It is requested to revert to pre-2015 designation of "Light Commercial". Also, change the zoning designation from "R5, Residential" to "C1, Light Commercial" to agree.

Both properties were annexed to the City of Auburn from the City of Pacific in the year 2003 by City of Auburn Ordinance No. 3643. Prior to the annexation, the northern parcel (owned by Mr. Clayton) was zoned "C, Commercial" and the southern parcel (now owned by John Nixon) was zoned "RMH, Multiple Family Residential" in the City of Pacific. Mr. Clayton's zoning designation of "C, Commercial" was a result of an application for zone change requested by Mr. Clayton and approved by the City of Pacific in August of 1992 by Ordinance No. 1177 (The rezone was to the zoning classification of "BC, Business Commercial" which subsequently became "C, Commercial".) At annexation to the City of Auburn, the property assumed an "R-5, Residential" zoning designation by default, while the comprehensive plan designation was made "Light Commercial".

Of late, Mr. Clayton has been contacting the City almost annually requesting that the city initiate a change in the zoning designation back to a commercial category. He has always had the ability to submit a private application to initiate the zoning map change himself, and has been advised of this, but was reluctant.

The 'working binder' under the 'Map Amendments' tab and CPM #8, contains a letter from Mr. Clayton dated July 18, 2017 and supporting information in which he describes the history and his request to have the zoning changed.

The southern parcel prior to 2015 had a comprehensive plan designation of "Light Commercial" and was previously was zoned "R-5, Residential". These 2 parcels are the only parcels on the east side of A ST SE, in the vicinity that have a Comprehensive Plan designation of "Single Family Residential". The adjacent properties to the south were changed to "light Industrial" due to private com plan application last year. The properties to the north have a comprehensive plan designation of "Institutional".

While the comprehensive plan designation was changed in 2015 to "Single Family Residential", to align with the property's R-5 Residential zoning, it is the zoning classification that should have been changed. The City now seeks to rectify the circumstances by changing the both the comprehensive plan designation and zoning for both parcels

Parcel ID Number/ address	Property owner	Parcel Size (Approx.)	Current Comprehensive Plan Designation	Current Zoning Classification	Current Land Use
3121059069 (northern)	Alan B Clayton	1.79 acres	"Single Family Residential"	R-5, Residential	vacant
3121059027/ 5340 A ST SE (southern)	John Nixon	3.67 acres	"Single Family Residential"	R-5, Residential	Single family residence

Staff Recommendation

CPM #16

Change the mapped land use designation of 0.21-acre city-owned stormwater facility on the south side of 35th St SE, from "Institutional" to "Multiple Family Residential".

Discussion

This city-initiated request is to change the land use designation of a 0.21-acre city-owned stormwater facility serving a plat from "Institutional" to "Multiple Family Residential" to agree with designation applicable to the balance of the plat. Parcel No. 1877100170 is owned by the City and located on south side of 35th St SE, 290 feet west of D ST SE. The lot for the stormwater facility was created from the "D ST SE Plat" and should retain the same comprehensive plan designation as the balance of the plat. It is not the intention of the Comprehensive Plan designation to apply a separate classification to each special purpose lot or tract needed to support the overall subdivision. Land use designations should apply to broad geographic areas based on compatibility and generally not on an individual parcel basis. The change would remedy an inadvertent change of mapped land use designation as part of 2015 plan adoption and revert to the former designation.

Staff Recommendation

Planning Commission to recommend approval of a map amendment CPM #16 to change the land use designation of change the land use designation of 0.21-acre city-owned stormwater facility serving a plat from "Institutional" to "Multiple Family Residential" (Parcel No. 1877100170).

the property is developed with two, 2-story buildings as the "Mayfield Apartments" containing 31 dwelling units. The change would remedy an inadvertent change of mapped land use designation as part of 2015 plan adoption and revert to the former designation.

A. Annual Comprehensive Plan Map Amendments (CPA17-0001 – City-Initiated)

- 1. CPM #4 - Change the mapped land use designation of south part of 2.15-acre, privately-owned developed parcel from "Residential Transition" to "Heavy Commercial".** Parcel No. 8695200020 owned by Quality Fence Co. and located on south side of 21st ST SE, 390 feet east of A ST SE. Avoid split designations where warranted by existing development pattern.
- 2. CPM #5 - Change the mapped land use designation of 3 parcels (2 privately owned and 1 city-owned) from the "Open Space" to "Downtown Urban Center" land use designation.** Private parcels Nos. are 7815700095 and 7815700135 owned by Levan Auburn Development LLC and City-owned parcel No. 7815700085. Parcels are located across street, south of City Hall. Remedy an inadvertent change of mapped land use designation with adoption of map as part of 2015 plan adoption. Requested to revert to pre-2015 designation of "Downtown Urban Center". These 3 vacant parcels are currently zoned DUC, Downtown Urban Center. Due to their location and economic development potential, these parcels should be "Downtown Urban Center" land use designation. Note, these parcels are not currently included in the Open Space Zoning Amendment per recent Planning Commission recommendation."
- 3. CPM #6 - Change the mapped land use designation (and zoning district) of the following 46 city-owned, parks properties from "Open Space" to "Institutional" land use designation:** Parcel Nos. 0821059017, 7345300160, 6347000055, 6347000065, 0001000081, 1313500310, 3021059044, 3021059080, 3021059089, 1421049011, 1821059117, 0520061060, 0721059038, 7749501070, 0521059010, 0521059029, 0421059062, 0421059061, 0421059060, 0421059071, 0421059004, 3845000080, 7299602140, 4137070990, 7002181950, 0520051035, 0520051006, 0921059018, 6655000021, 1421049067, 9262800330, 9262800341, 1421049017, 9262800285, 0721059020, 8669150810, 6655000024, 6655000030,

3021059325, 3121059017, 3021059375, 8581400530, 1821059327, 0821059017, 0621059007, & 1821059117.

Remedy an inadvertent change of mapped land use designation with adoption of map as part of 2015 plan adoption. Requested to revert to pre-2015 designation of "Institutional". Several of the city-owned, developed and active parks properties were assigned the land use designation of "Open Space" by adoption of the 2015 plan land use map. Thus, the land use designation is inconsistent with the designation criteria and purpose of the "Open Space" land designation of the Comprehensive Plan (e.g. cemeteries and active parks should not be designated "Open Space"). Also, change the zoning designation from "OS, Open Space" to "I, Institutional" to agree, except for Parcel Nos. 1821059327, 1821059117 & 8581400530.

4. **CPM #7 - Change the mapped land use designation of 3 Tribal jurisdiction parcels from the "Open Space" to the "Institutional" Land Use designation.** Parcel No. 2021059041, 2021059047, & 2021059037 owned by US Government in Trust status or by the Muckleshoot Indian Tribe. The 3 parcels controlled by the Muckleshoot Tribe are developed as a cemetery and thus, the land use designation is inconsistent with the designation criteria and purpose of the "Open Space" land designation of the Comprehensive Plan (e.g. cemeteries and active parks should not be designated "Open Space"). Also, change the zoning designation from "OS, Open Space" to "I, Institutional" to agree.
5. **CPM #8 - Change the mapped land use designation of 2 parcels from "Single Family Residential" to "Light Commercial"** Parcels Nos. are 3121059069, 1.79 acres, owned by Alan Clayton and Parcel No. 3121059027, 3.67 acres owned by John Nixon both, are located on east side of A ST SE, south of Lakeland Hills WY SE. Remedy an inadvertent change of mapped land use designation with adoption of map as part of 2015 plan adoption. Requested to revert to pre-2015 designation of "Light Commercial". Also, change the zoning designation from "R5, Residential" to "C1, Light Commercial" to agree.
6. **CPM #9 - Change the mapped land use designation of 2 privately owned vacant parcels from "Multiple Family Residential: to "Light Commercial".** Parcel No. 0921059042, 1.75 acres, is owned by Highlane Prop. LLP and the Parcel No. 0921059113, 0.81-acres, is owned by Jennifer & James Hunt both and are located at SE corner of SE 312th ST & 121st PL SE.
