Assistant Attorney Ruth explained the content regulations for the Junior Council portion of the city website. He explained that are not too many restraints, but to be careful with copyright regulations. There are three ways to use copyrighted images: contact the photographer and ask permission to use the image, use licensed material such as Microsoft ClipArt and to use material that falls under Fair Use Doctrine, which allows use of an image for government use, research and educational purposes.

B. Youth Transportation

Junior Council to share ideas on transportation options for youth

Deputy Mayor Wagner asked the Junior Council to share their ideas on youth transportation. Member Thomas suggested there be transportation for youth that reside in the valley to get to areas in Auburn such as Lea Hill. Vice Chair Campbell suggested there be an age limit on who rides public youth transportation and should require parental consent. Member Hands would like transportation to be extended outside of Auburn city limits to get to attractions such as The Commons in Federal Way and Kent Station.

C. Undeveloped Park Properties (Faber)

Director Faber distributed maps of various undeveloped areas that will become parks in Auburn. He shared some of the proposed features and activities that will be at the future parks such as spray park, restrooms, soccer fields and other characteristics. Vice Chair Campbell suggested adding a grass volleyball court to one of the new parks or at an existing park such as Game Farm Park.

Director Faber encouraged the Junior Council to contact him if they have any other ideas for future or existing parks in Auburn as the Junior Council will be included in the decision-making process.

Deputy Mayor asked the Junior Council if they would be interested in launching an anti-bullying campaign in Auburn. A detailed discussion about the anti-bullying campaign will take place at the next regular meeting scheduled for June 2014.
