A photo and video release form was distributed to each member of the Junior Council, and are to be signed by a parent or guardian and returned to staff. A detailed discussion about website content will take place at the next regular meeting scheduled for April 2014.

B. "Imagine Auburn" Visioning Workshop (Chamberlain)

Planning Services Manager Elizabeth Chamberlain explained that Imagine Auburn is a community process intended to create a new Comprehensive Plan and to

explore and define a common vision for Auburn's future. Throughout 2014, there will be a number of neighborhood workshops and community surveys to gather input from Auburn residents. Once results are gathered, the city will move forward on creating a new Comprehensive Plan to better address community needs.

Planning Services Manager Chamberlain split the Junior Council into two groups and gave each group four questions to discuss:

- 1 What do you think are the City's greatest assets or strengths?
- 1 What are the most important issues and challenges facing Auburn today?
- 1 What opportunities do you see for making Auburn a better community in the future?
- 1 What is your vision for the city 20 years into the future?

After the discussions, one member from each group shared their ideas and visions to the rest of the Junior Council. Ideas presented were: More neighborhood watch programs, safer streets and a strong police force

- 1 More job opportunities for adults and teens
- 1 More activities for youth and teens, such as a bowling alley, arcade and swimming pool
- 1 Building additional parks on Lea Hill and more dog parks throughout the city
- 1 Creating stricter recycling and composting policies, as well as bringing healthier and environmentally friendly restaurants to Auburn

Planning Services Manager Chamberlain encouraged the Junior Council to take the online Imagine Auburn survey to add more input. She will attend the Junior Council meeting in May to share the community survey responses.
