DISCUSSION ITEMS

- A. Arbor Day 2026 — Park Planning Manager Thaniel Gouk

Parks Planning Manager Thaniel Gouk speaks to the park board about Arbor Day. The Arbor Day date is for Tuesday, April 21st 2026 at Les Gove Park at 11am. Invites will come shortly from Parks Admin Alexa Bragg.

- B. Summer Camp Opening and New Brochure for Upcoming Spring and Summer Programs — Parks Director Julie Krueger

Parks Planning Manager Thaniel Gouk introduces Curtis Carlson to the Park Board. Curtis is the new Athletics Recreation Program Coordinator, replacing recently retired Rick Bruya.

Park Planning Manager Thaniel Gouk speaks about the new summer camp guide for 2026.

- C. Golf Course Flood Recovery — Parks Director Julie Krueger

Parks Planning Manager Thaniel Gouk talks about the Auburn Golf Course amid the flood recovery from the flooding that impacted the surrounding areas in December 2025. The golf course opened up on Feb. 21st. The fleet of 74 golf carts was completely replaced. Bogey's (restaurant on the golf course) is not ready to open yet. There is mold testing that will be done in the restaurant. No timeline on Bogey's, but hoping soon. Chairperson Matt Jennings asks how the regular visitors are doing, board member Cary Davidson says the course is great and doing well and there is a food truck there for now while Bogey's is closed. The irrigation pumphouse flooded, and the

parks department was able to get the emergency golf course irrigation pump house replacement parts ordered and paid for as soon as possible. Thaniel talks about the loss of revenue (from the flooding).

APPROVAL OF MINUTES

A. Approval of January 6th Park Board Minutes

The Park Board approved the January 6th, 2026 Park Board Minutes.

DISCUSSION ITEMS

A. Naming the Downtown Park Plaza Area (Policy 1130) - Parks Director Julie Krueger

Parks Director Julie Krueger talks about what the Parks Department had done previously with the Postmark Center for the Arts when naming the facilities. The Parks Department would like to use the same type of model in naming the Downtown Park Plaza. The board was presented with Policy 1130. There are 35,000 people on an e-blast list, and social media, as well as utilizing the communications department to create a banner and a QR code to gather survey answers. Board member Wayne Osborne asks how the parks department would narrow down ideas. Councilwoman Cheryl Rakes asked if the Auburn Downtown Cooperative and the Business Improvement Area (BIA) could receive the emails so they could forward the survey to others, specifically downtown businesses.

Park Planning Manager Thaniel said there will be bids coming back soon for the downtown plaza. John Fleming (artist commissioned) presented to council about the art that will be going into the downtown plaza.

B. 2025 Capital Project Recap and 2026 Look-Ahead - Park Planning Manager Thaniel Gouk

Parks Planning Manager Thaniel Gouk goes through the Parks Capital Project 2025 Recap and 2026 project look ahead. This presentation is similar to what was brought to City Council recently. The first project was the completion of the Postmark Lower Level area. The grand opening was in April 2025. Grant funded, and state capital funded as well. Demolished the building at 125 E Main St, adjacent to the Theater site. The building was purchased in 2024. Soos Creek Botanical Gardens in Lea Hill, applied for

a \$2.1 million grant from CFT to purchase the Soos Creek Botanical Gardens. Board Member Wayne Osborne suggested a field trip in the summer to tour the Soos Creek gardens. At the Les Gove Splash Pad, the state offers grants for manifold and valve replacements, and the parks department received \$150,000 in funds from RCO to replace such. There is a new above-ground system for the Les Gove Splash pad.

Wayne asks if it's freeze-proof, but Thaniel states that they blow the lines. The Bocce courts had the oyster shell surfacing replaced, there was quite a bit of moss and grass along with drainage issues. This was funded with King County Park Levy Funds and Park Impact fees. Yolanda states that Salvador (Bocce Club President) has been very happy with the improvements. Cedar Lanes Park had the dirt pump track completed by Evergreen Mountain Bike (contractors who did the park). Along with Cedar Lanes, the Washington Recreation & Parks Association awarded the City of Auburn Parks for the Spotlight Awards of 2024. Yolanda asks about the muddy paths, Thaniel states there are not plans yet. Installed artwork from the Sculpture gallery purchase award at Les Gove Park, moved existing public artwork from B-Street Plaza. Councilwoman Cheryl Rakes asks if a business could pay to have the (rotating) artwork, Parks Director Julie states that because the artwork is on public right-of-way and it will likely get rotated out.

Grant from 4cultures to replace the caretakers (mobile) home at Mary Olsen Farm. Parks Director Julie states she signed the contract today for a new caretaker and will hopefully have them start next week. Completed the 10th Addition burial site at the Mountainview Cemetery. About 32,000 square feet of new irrigated grass. The cemetery is part of an enterprise fund, not the general fund and that's where those funds come from to allow the cemetery to have the funds.

2026 projects:

-Civil layout of the new downtown park. Conservation futures require 80% to be green space, as the RCO is funding this project. There is an unfinished alleyway between the Postmark and the New Theater, which will use the same landscaping (one project). John Fleming Gathering Tree (art piece for the Downtown Plaza). This process started with John 6 months ago, went through an art selection committee and then went to the Arts Commission and then to City Council. Council approved the resolution for the concept (02/02/2026).

-Veteran's Park Paver Replacement at the Veteran's Memorial Park. Parks is going to meet with the American Legion to update.

-Jacobsen Tree Farm, new park development. Located on Lea Hill. Going to apply for RCO grants (state grants). 2026 RCO grant cycles begin in Spring.

-King County Park Levy Funds 2026-31 was approved by voters in 2025. Auburn is expected to receive \$934k per year from the levy funds. The funds are less restricted and more flexible and able to be used for capital projects/maintenance projects. Turfing the ball fields, as this will also create revenue.

C. PROS Plan Update - Park Planning Manager Thaniel Gouk

-PROS Update: As it's been reviewed, there are items that need to be fixed, along with updating capital Facilities Plans to better represent new King County Park Levy funds

for projects. Parks Director Julie states we will bring it in pieces to the park board, then present to the planning commission, and then it will be taken to Council.

-Facilities Master Plan, study started in 2021 which covers Public Works, Police, and Parks. For Parks, the study looks at repairing GSA and adding on to the Parks Maintenance shop. Renovating the crew space and adding a new cored shop and storage area. Director Julie says these are preliminary plans. R St Property will have added crew space, remodel the shop, and secure the site with fencing options. More to come with this. Public works is managing the Facilities Master Plan. We are in Phase 2 of a 3 phase process.

Deposit & Registration Policy

For the convenience of reserving a spot in a camp, you may make a \$25 deposit per camp. Deposits are non-refundable and non-transferable to other camps or classes. All deposits are applied to the total session fee. Full fees are due by the end of day Thursday, ten days prior to each session. Balances will automatically be scheduled to be paid by credit/debit card or electronic transfer provided by you at time of registration. If your full payment is not received ten days prior to the start of camp, your spot will no longer be reserved, and your deposit is forfeited. Refunds or credits are not issued for single full days or partial days missed. Please call the Parks Arts & Recreation Department at 253-931-3043 or visit auburnwa.gov/parkspolicy for full refund policy.

Resident Discount Fee

The City of Auburn recognizes that people living within Auburn's city limits support, through their city taxes, the City's Parks, Arts & Recreation services. Because of this, the City offers its residents a discount on select recreational programs. People from outside the city limits are welcomed and encouraged to enjoy the activities and services the City of Auburn provides. The resident discount fee is the first fee listed and the second fee is the non-resident fee.

Inclusion

The City of Auburn encourages people of all abilities to register for our programs. We are committed to serving the needs of everyone in our community through inclusive programming, providing an atmosphere in which persons with and without disabilities can interact, play, and socialize with their peers in an all-inclusive, supportive environment. After registering, please call 253-931-3043 for more information and to request accommodation.

Confirmation

Receipts are emailed, mailed (upon request), or given to you during registration. If a camp is full before your registration is processed, you will receive a receipt placing you on a waiting list.

Join us for a creative week of kid's yoga and art! Throughout the week, we'll explore yoga poses, paint/create art/craft projects, practice meditation and mindfulness, and more! This camp is designed to foster connections between the mind and body and is tailored for the young yogis and aspiring artists of our community.

DAY	DATES	TIME	#
Mon-Fri	Aug 17-21	1-4pm	60957

Myth Busters AGES: 6-8

Can you really clean pennies with soda? Does cold water boil faster than hot? Does salt make ice melt faster? Can you build an egg drop that never breaks? Does Mentos really make soda explode? Campers will answer these questions and more through hands-on experiments that test popular myths, uncover surprising facts, and deliver plenty of excitement, all week long! Additional outdoor games, activities, and water play will be part of the excitement.

DAY	DATES	TIME	#
Mon-Fri	Aug 17-21	1-4pm	61089

Art Meets Science AGES: 9-11

A STEAM lover's dream! Campers will build and decorate mini structures, explore color theory, experiment with elephant toothpaste, create slime, and dive into hands-on crafts and creative projects. Waterplay and outdoor activities add even more fun to this action-packed camp!

DAY	DATES	TIME	#
Mon-Fri	Aug 17-21	1-4pm	61026

Creative Cartooning AGES: 9-11

Get creative with custom cartooning! In this camp, you'll learn how to design and style your own cartoon characters! Explore the basics of geometric and organic shapes to bring your ideas to life. Create a person, caricature, bear, fairy, monster, or anything else you can imagine! If you can visualize it, you can simplify it into its core shapes and draw it. Young artists will get their chance at outdoor and water play too!

THEATER CAMPS

Ages: 5-15

ACP Summer Camp – Newsies JR. AGES: 7-15

Participants will learn voice, choreography, acting, and more that will culminate in four community performances. Auditions will be held on the first day of camp.

Disney's Newsies JR. is a 60-minute version of the 2012 Broadway musical, based on the 1992 film. Inspired by the rousing true story of newsboys in turn-of-the-century New York City, Newsies JR. features a Tony Award-winning score by Alan Menken and Jack Feldman and a book by Tony Award winner Harvey Fierstein. When powerful newspaper publishers raise prices at the newsboys' expense, the charismatic Jack Kelly rallies newsies from across the city to strike against the unfair conditions. Together, the newsies learn that they are stronger united and create a movement to fight for what's right. Including the now-classic songs "Carrying the Banner," "Seize the Day," and "Santa Fe," Newsies JR. is a timeless story full of spirit and heart.

Camp will be held at Ilalko Elementary School, 301 Oravetz Place

SE, Auburn, WA 98092, from 9am- 4pm, Monday through Friday, July 6 through July 24. (Please also note drop-off and pick-up times for each day's activity). Early drop-off at 8 am and/or late pick-up by 5 pm may be arranged in advance. Performances on Friday, July 24 at 7pm, Saturday, July 25 at 2pm & 7pm, and on Sunday, July 26 at 2pm. Actor's script and music available at Auburn Parks, Arts & Recreation office upon full tuition payment after June 22, 2026. Please make sure to submit all appropriate waivers and bring appropriate clothing and equipment for each day's activities.

Performances at Auburn Riverside Theatre:

Friday, July 24 at 7 p.m.,

Saturday, July 25 (at 2 p.m. & 7 p.m.) & Sunday, July 26 at 2 p.m.

MANUAL OF POLICIES AND PROCEDURES
Auburn Parks, Arts and Recreation Board Auburn,
Washington
Number 5510

Effective: Month Day, 2026
Section 5000 Natural Resources
Subject 100 Vegetation Maintenance
Title 10 Tree Maintenance

PURPOSE: To establish clear procedures and standards for the management of trees within Auburn's park system, ensuring that trees are planted, maintained, and removed in a manner that supports a healthy environment and strong communities. Residents living next to properties within the City's park system recognize and understand the importance of trees and the inherent risk of doing so.

POLICIES:

- A. Tree management decisions will prioritize public safety, park function, and tree health.
- B. Trees will not be removed, trimmed or pruned for private views, aesthetics, or debris complaints.
- C. Trees will not be trimmed or pruned solely for purpose of trees overhanging onto or over private property.
- D. Residents may prune branches or roots to their property line if no harm is done to City trees and the work is consistent with applicable City codes.
- E. Residents shall not trespass onto public property to remove or otherwise alter trees.
- F. If a private property owner believes a tree on City park property is hazardous or should be removed, they may request that the City conduct a visual assessment of the tree. The City, at its discretion, may perform the assessment and inform the requestor of its decision. If the private property owner disagrees with the City's assessment, or if the City denies the assessment request, the owner may hire an ISA-certified arborist to provide a written assessment. The City will review the arborist's report and make the final determination regarding whether the tree is hazardous and may be removed or must be preserved.
- G. If the City reviews the arborist's report and determines that tree trimming or removal is warranted, the City will complete the approved work. If the City does not approve of the work, no trimming or removal will be performed by the City.
- H. The City will make every effort to clean up tree trimmings resulting from approved work. Any debris remaining on private property after the work is completed is the responsibility of the property owner to remove.
- I. Responsibility for fallen trees, branches, etc. rests with the property where the tree or branch lands.
